### Jesus Time

#### The Parable of the Good Samaritan

The Parable of the Good Samaritan is one of the Bible's most vivid depictions of mercy. Mercy is sometimes translated as "compassion" or "loving kindness". We will be learning how we can show compassion to our neighbors.

#### The Widow's Mite

The widow must have had faith to trust that God would provide her every need. This faith enabled the widow to give so much when she had so little. Jesus gives us the riches of heaven, enabling us to trust that we will have all that we need, by making it possible for us to give willingly to others.

#### Jesus Eats with Zacchaeus

In this story, we meet a selfish man who has the privilege of dining with Jesus. It is important to notice Zacchaeus's change of heart. It is easy to judge others, but Christ reminds us that He died for everyone!

### Dental Health Presentation

We will be learning about how to take care of our teeth with a special dental health presentation from Mrs. Hiller on Wed., February 17th! Each student will also get a tooth brush to bring home!

#### Outside

We will continue to go outside first thing in the mornings, please have your child all ready to go with their outdoor gear on when they arrive at school. It's also a good idea to have your child use the bathroom in the morning before coming to school. Thanks for all you do to help us be successful!!

### Prayer

(Mary Had a Little Lamb)
