MEET THE TEACHER

WELCOME

Welcome to the Bunny Room! My name is,Alex and I have been a toddler teacher for over 3 years. I love watching children figure out the world in their own way. Seeing the lightbulb come on after they figure out something new or something of interest to them is so rewarding. My favorite activity with toddlers is sensory play!

ABOUT ME

I live with my husband, Jack, and two children, Iroh and Emi. We also have a cat named Bella, who thinks she runs the house. We like to go to the park by our house and be silly together.
Fun facts about Ms Alex are, I have over 30 nieces and nephews alone on my husband's side. I was born with a silver/gray section of hair. I also grew up at Family of Christ. My family started attending services when I was in 6th grade!

FAVORITES

Some of my hobbies are swimming, dancing, singing, and hanging out with friends and family. I love to read fantasy books. My favorite book is Fourth Wing! I'm currently working on creating a wedding business and will be off on Fridays.
