

Unit Letter  
Colors, Shapes, Numbers and Letters  
February /March 2021

Dear Families,

During the unit Colors, Shapes, Numbers and Letters students in all classes will be reviewing the ten colors, seven shapes and the numbers that have been taught since September. Students have been introduced to the following colors: pink, red, blue, orange, yellow, brown, green, white, black and gray and the following shapes: circle, square, triangle, oval, rectangle, star, diamond and heart. All classes have learned number and quantity recognition from 0 through 16. Also, students have been instructed on the entire ZooPhonics alphabet. At this time ZooPhonics will be expanded by blending the sounds together to form words. Please let me know if you have any questions.

During our Jesus Time we will read about The Lost Son *Luke 15: 11-32*. Through this parable children will understand at times we do what we want rather than what God wants us to do. Our compassionate God loves and forgives us. Our second Jesus time Bible lesson is Jesus Blesses the Children *Mark 10:13-16*. Each day the students will be reminded that everyone is important to Jesus. He died for our sins to give us new life and through the power of the Holy Spirit we can treat others as important and beloved children of God. For our third week Bible story we will read Jesus visits friends *Luke 10: 38-42*. In this lesson God wants us to know His great love for us in Jesus; He wants us to praise Him by listening to His word. Jelly, our puppet friend, will visit the students to emphasize the importance of making time for Jesus.

Each student has been given a "homework" page to complete at home. Listed on the page are 9 activities for your son/daughter to complete with you. Please know this is an optional activity to support the skills being reinforced in the classroom. If your family chooses to complete the activities please sign and return the "homework" page for a prize!

During our unit Colors, Shapes, Numbers and Letters these are the choice time activities available:

**Dramatic Play:** Fire station

**Art Table:** Super Heroes and Circle Creations

**Easel:** Primary color painting and Chicka Chicka tree

**Science:** Color Mixing and Light table and Popcorn science experiment

**Sensory Table:** Alphabet builders and Number rubbings

**Sensory Tub:** Alphabet soup and Pom Poms

**Letters of the Week:** U,u V,v and W,w

**Shape of the Week:** Review all shapes

**Color of the Week:** Review all colors

**Number of the Week:** 17, 18 and 19

During this unit the following snack prayer will be introduced:

(tune "Froggy went a courtin'")

Come Lord Jesus be our guest, a-hum, a-hum

Come Lord Jesus be our guest, a-hum, a-hum

Come Lord Jesus be our guest and let these gifts to us be blessed  
a-hum, Amen, a-hum

Important Dates to Remember:

No Classes Monday, March 15- Monday, March 22 for Spring Break

We wish to extend a note of gratitude for the thoughtful Valentine's we received. We were truly overwhelmed by all the love that was sent our way for this special day!

God's Blessings,

Janine Raab and Kathy Schmidt

*Blessed... are those who hear the word of God*

*Luke 11:28*
