Jesus Time

Moses' Birth Moses' family put their faith in God when they placed Moses in the river to be hidden from Pharaoh. Although it was a difficult and dangerous time for the family, God knew His plans for them. God works through others to provide help. Children will realize that they too can be helpful, even though they are young!

Crossing the Red Sea The children of Israel want to leave Egypt to go to God's Promised Land. When Pharaoh finally lets God's people go, he changes his mind and chases after them. The Israelites are terrified. Moses tells the people to be still and watch God's plan for salvation unfold. God parts the sea so His people can walk safely to freedom on dry land. We must remember that in the good times and bad, God is always faithful to His word!

Preschool Reminders!

We have had such a great start to our year together! I have seen your children grow as preschoolers already in such a short time. What wonderful kiddos you have!

We will continue to go outside to our playground throughout the Fall, so please send your child with a jacket and/or hat when the weather gets a bit chilly. Having these items hanging on their coat hook so preschoolers can easily find them and put them on by themselves is incredibly helpful!!

Conference sign-up will begin later this month. I look forward to meeting with each of you at the end of November to talk about your child's preschool experience and progress!

Thank you again for sharing your sweet, funny, incredible children with us!!
