Preschool Reminders

I cannot believe how quickly our year is going! Your preschoolers have made so much progress already in our short time together. We're working on our journal pages each week and I am putting together Fall Assessments for our November conferences. Signups are opening soon!

We are at that time of year where morning recess will be a day-to-day decision based on weather. Please send children with appropriate outdoor clothes for the weather so we can continue to go out in the morning for as long as possible.

For afternoon recess, please have winter gear ready to go for when the snow flies! It's coming sooner that we want to admit! 😊

Jesus Time

Moses' Birth Moses' family put their faith in God when they placed Moses in the river to be hidden from Pharaoh. Although it was a difficult and dangerous time for the family, God knew His plans for them. God works through others to provide help. Children will realize that they too can be helpful, even though they are young!

Crossing the Red Sea The children of Israel want to leave Egypt to go to God's Promised Land. When Pharaoh finally lets God's people go, he changes his mind and chases after them. The Israelites are terrified. Moses tells the people to be still and watch God's plan for salvation unfold. God parts the sea so His people can walk safely to freedom on dry land. We must remember that in the good times and bad, God is always faithful to His word!
