Jesus Time

God Provides for Naomi and Ruth The book of Ruth shows how God provided for two widows. God takes care of and provides for the needs of His children!

Jesus is Born Merry Christmas! Those words bring joy to our hearts and minds. Preschoolers will have the opportunity to act out the nativity during dramatic play and retell the story during Jesus Time. Use this month to help children understand the importance of putting Jesus first. He is the reason we celebrate Christmas!

The Angel's Announcement to the Shepherds The shepherds were working outside on a dark night as they cared for the sheep. They were startled by what was probably a very bright light, and what happened from there changed their lives forever! They shared this very important message: "A Savior has been born. He is Christ the Lord!"

I took a lick of my peppermint stick
And it tasted really yummy.
