“What it Means to Be a Worship-Driven Church”

Week 2 - “Connecting with Christ & people”

June 7, 2026

Scripture

John 17:14, Psalm 5:1, 7, 11-12, 2 Corinthians 9:7, 1 Peter 2:11, Judges 12:5-7

Key Scripture

“Because of your unfailing love, I can enter your house; I will worship at Your temple with deepest awe.” — **Psalm 5:7**

Core Truths

“Every gift of yourself that you could possibly give God, He receives as your living expression of true worship.”

“Don’t allow your circumstances to draw you from worship; allow it to draw you in, where you’ll find God’s healing.”

“Because our citizenship is heavenly, our ethical behavior is governed by the laws of God’s Kingdom, not the shifting morals of the culture we live in.”

Questions for the Week

What are you bringing into the house of God? Are you letting the weight of difficult circumstances hold back your praise, or are you willing to surrender those burdens and find God’s healing in His presence?

Does your life reflect skin in the game? Deep connection requires intentional, vulnerable investment. Are you approaching worship as an active, cheerful participant in your song, study, and giving, or are you acting like a spectator?

How is your accent been sounding lately? As a citizen of a heavenly Kingdom, does your daily language, integrity, and response to a shifting culture expose you as a foreigner, or are you blending into the background?
