Student Enrollment Agreement

The teachers and staff of Asbury Children's Center welcome you and your child to our community. We take our commitment to your child very seriously. We strive to provide your child with the area's best environment for learning, recreation and development of a sense of self-worth.

To help you with questions and to explain our services and requirements, we have the Asbury Children's Center Handbook available online at www.visitasbury.org. You will find all ACC information listed under the Asbury Children's Center. This Handbook outlines the guidelines of Asbury Children's Center that you will be asked to follow while your children are attending ACC. It contains helpful information regarding your child's care and is the basis of a mutually binding contract between you and Asbury Children's Center.

As you supply the information and signatures requested on this Agreement, please remember the specific policy is outlined in the Handbook. Your signature on this form indicates you are aware of policies of Asbury Children's Center and agree to abide by them unless mutually changed by both parties. Issues regarding payment of fees are a part of this agreement. Please read the Handbook carefully. Please supply all medical and emergency information so we may most effectively serve the needs of your child. As updated immunizations are completed, please give that information to the Director. If your telephone numbers or addresses at home or work should change at any time, please notify the Director as soon as possible.

I have received and read the Asbury Children's Center Handbook and agree to abide by the information contained in the Handbook throughout my child's enrollment.
