

J-29 PROJECT

We believe God has placed our church in this community to share the message of the Gospel of Jesus Christ. Any genuine message of the Gospel must be motivated by a sincere love and devotion to others. Our desire is that through our words and our actions, Oxford and the surrounding area will experience the love, grace, and mercy available to them through the Gospel of Jesus. The J-29 Project is inspired by the prophet's words to the exiles in Babylon in Jeremiah 29:7:

"But seek the welfare of the city where I have sent you into exile, and pray to the LORD on its behalf, for in its welfare you will find your welfare."

It is in the spirit of Jeremiah 29:7 that we offer you an opportunity to love our city in words and actions. We have established a special fund with the goal of encouraging your involvement in seeking the welfare of our city and surrounding area. This fund is an assigned portion of our local missions budget set aside for these efforts. Before volunteering hours in a local, registered 501(c)3 non-profit, you may apply for a grant to give to the organization you plan to served in. If your application for a grant is approved, you will receive funds to personally deliver to the organization after serving at least 10 volunteer hours.
