\* Variations of on-campus plans are possible based on student grade, ability, and need, as well family interest. Typically these offerings are incorporated into a Friday schedule, though other days could potentially be arranged for comparable amount of time on campus, in which case, program offerings may drop some of the ones listed here for other elective offerings.

### TRACK2: INDEPENDENT STUDIES

—Only available to students in 3rd grade or higher. Ignitia curriculum system requires a personal computer for the student.

—MBCS faculty member(s) teach all subjects. Teacher assignment is based on availability and individual student curriculum plan.

— Parents provide structured home environment and daily accountability.

— MBCS Admin provides regular communication of progress and “attendance” via task reports.

— Many additional electives available through the same platform. Additional options available by family coordination with school teacher.

— During school hours (and individual teacher hours) students receive additional help through live messaging tools, multi-media materials, and robust teacher communication tools.

— Additional administrative hours (Mon-Sat 7AM-10PM) provide constant tech support and assistance.
