

MBCS STUDENT LOUNGE RULES

We are very blessed to have a temporary arrangement with MBCC to facilitate a dynamic student lounge. In doing this, it is imperative that all use be conducted according to strict allegiance to the following items.

1. No student(s) shall be in the room without a school staff member/teacher present.
2. Students/families are directly liable for replacement/repairs to any/all equipment and/or furnishings.
3. Specific access regarding use of any items while in the lounge is at the sole discretion of the staff.
4. All regular school rules are in effect in the student lounge, including technology policies, such as:
 - a. Phones are to be turned completely off and kept stored away (backpack or locker- no pockets).
 - b. Computers/personal devices should remain in student backpacks or lockers.
 - c. Students are never to browse the internet or have any online actions.
 - d. Any computer provided by the school must be protected against foreign components (discs, drives, etc.).
5. Games are to be played in a respectful and careful manner, and only according to intended purposes.
6. Everyone is expected to follow general sportsmanship and courtesy (i.e. taking turns and sharing).
7. Access is a privilege, not a right, and as such it will be offered/revoked according to student behavior.

I understand the rules listed here and pledge to abide by them. I understand that failure to do so will result in the loss of the privilege of access to the student lounge and/or or some or all of its resources.
