

OUR CURRICULUM

With so many options in education today, MBCS is committed to combining the latest technology and interactive curriculum with proven methods of mastery learning and individualization. We continually evaluate and refine our approach to ensure your child receives the best education possible.

OUR BELIEFS

We understand Christians from different churches may not agree on everything, but we unite around the essentials of faith. Our Statement of Faith outlines the core principles of our teaching. Please review it on our website and contact us with any questions.

OUR 5 PILLARS OF EDUCATION

- 1 Biblically Grounded**
God's Word is central to all we do. Every subject, from Science to Civics, is taught through a Biblical worldview, providing a strong spiritual foundation.
- 2 Academically Excellent**
We pursue rigorous, individualized academics that promote mastery, creativity, and critical thinking, enriched by chapel, electives, and service opportunities.
- 3 Individually Tailored**
Recognizing each child's unique needs and gifts, we design personalized courses of study to help students thrive and grow at their own pace.
- 4 Family Centered**
Education works best as an extension of the home. We partner with parents to reinforce Christian values and support children in faith and character.
- 5 Financially Accessible**
We are committed to keeping tuition affordable—on average 30% lower than comparable schools—so more families can benefit from a Christ-centered education.

"But they who wait for the Lord shall renew their strength; they shall mount up with wings like eagles; they shall run and not be weary; they shall walk and not faint."
~ Isaiah 40:31

GET IN TOUCH

Exploring our campus is the best way to experience the welcoming environment and Christ-centered education at Monterey Bay Christian School. As you consider applying, we encourage you to review our admissions process for important details and next steps.

ABOUT US

Founded in 1980, Monterey Bay Christian School has served families across the peninsula with a Christ-centered education that combines strong biblical foundations and rigorous academics. For over four decades, MBCS has nurtured thousands of students in a vibrant, faith-based community where each child is encouraged to grow, believe in themselves, and develop their God-given abilities.

WHY CHOOSE MBCS

We partner with families to help children grow: academically, socially, emotionally, and spiritually. From Preschool through 8th grade, we equip and inspire students to become leaders who impact communities and share Christ.

ADMISSIONS PROCESS

1

APPLY ONLINE

We encourage families to apply online for easier submission; each application requires a non-refundable fee.

2

FAMILY INTERVIEW

After we receive your application, our office will contact you to schedule a tour with our administration. This visit allows us to get to know your family.

3

ENROLLMENT

Accepted families complete enrollment documents and prepare for the school year by submitting all forms through the online FACTS portal.

4

ASSESSMENT

Kindergarten students will complete an evaluation with a staff member.
