Pastoral Candidate Visit

Rev. Chris Fantuzzo and his family plan to visit us the weekend of March 13-15. Among other activities, he will meet with council and staff, join in fellowship with us at the Friday night Youth Lasagna Dinner and Dessert Auction, and preach at our Sunday worship service. Additionally, we will have two events designed to help the whole congregation and Rev. Fantuzzo get to know one another as we together seek God's will regarding his candidacy:

After the worship service on Sunday March 15, from 11:30am to 1pm, all congregants are encouraged to attend a meeting during which Rev. Fantuzzo will share some of his story, answer questions from congregants, and have opportunities to meet people individually. In preparation for the Sunday session, please submit your questions for Rev. Fantuzzo to the church office. Those questions will be collated and used first during the question and answer part of the session.

There will also be a similar session focused on families of preschool and school age children Saturday morning March 14 coordinated by Bethany Miller. She will contact families with details for that event and directions for submitting questions.

School #33 Opportunity

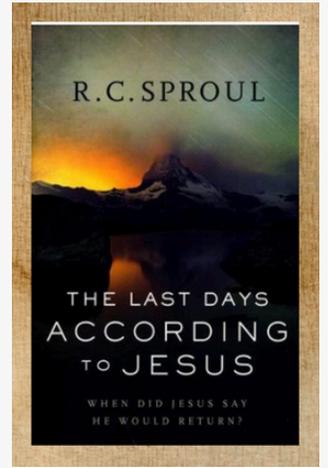

The lunch monitors seek **blank paper** for drawing and **coloring books** (even partially used) to provide quiet activities during lunch. They also would be happy to have **small stuffed animals** for the same purpose.

Please put donations over the next few weeks in the basket labeled "School 33" in the narthex across from the coatroom. Let's help lighten their load!

New Sunday Adult Class

What did Jesus mean when He said to His disciples that some of them would not taste death until they saw the Son of Man coming in His kingdom? What is meant when the book of Revelation says that the things prophesied therein "must soon take place"? Comments such as these have raised many questions, causing some to conclude that Jesus was wrong about the time of His second coming. In this series, Dr. R.C. Sproul examines the time-texts associated with the Olivet Discourse and the book of Revelation, demonstrating that when properly understood, they are actually strong evidence for the truthfulness of Scripture.

The Facilities Team Has Been Busy

Jay Falvo, Jan Cooper, Steve Letter, and Tony LaPolla installed automatic door openers in the front.

The buttons are inside and out.

Please help children press them gently.

Jan and JoAnn Cooper took the lead on the design demo by stripping wallpaper in the fellowship hall. Watch this space for more details on all of the renovations.
