- Will the next generation serve God?
- When the young people in your life grow up, will they serve God right here in the Finger Lakes?
- How can you help prepare them to serve Him enthusiastically in all areas of their lives?

The Lasco Institute will unite you with other local Christian schoolteachers, homeschoolers, parents, and school board members who also hope to see the next generation apply the theology of the Reformation to the entire life of the family, church, and community. We'll help you grow in understanding, practicing, and supporting education that equips and inspires our children for their high calling. **MARK YOUR CALENDARS FOR THE 2025 CONFERENCE AUGUST 15-16**

Please place donations in the coatroom in the bin marked **World Relief**. [CLICK HERE](#) for a list of items to donate.. We will give some items to our adopted family of 6 from Afghanistan. ## Choir Director Adam Potter

We are sad to report that Dr. Adam Potter, our Choir Director, has informed Council he will be leaving Rochester to accept a position at the University of Missouri. Adam has been such an absolute joy to work with in the choir, and his musical gifts shared in our worship services are only surpassed by his delightful personality, and his love for our Lord and for His church.

In his own words, Adam says, "I'm profoundly grateful to have been part of the RCRC community for the past eight years... This church has given me far more than a job— it has been a nourishing spiritual home, a constant source of comfort and encouragement, and a truly caring family of faith. I can honestly say that you—this community—are among the primary reasons that my time in Rochester has been the happiest chapter of my life." We will, indeed, miss Adam Potter.

Council is assembling a Search Team to find replacements for our Worship Coordinator and now our Choir Director positions. If you or someone you know might be interested please contact the church office.
