Rochester CRC and the Lasco Institute welcome Dr. Joel Beeke to Rochester CRC for a lecture on Saturday, August 16, at 9:00 AM:

A Lost Spiritual Discipline: How to Lead Family Worship."

The Lasco Institute is a new effort bringing together Christian schoolteachers, parents, homeschoolers, board members, volunteers, and supporters of education who hope to raise up a generation of believers who systematically apply the theology of the Reformation to the entire life of the family, church, and community.

Dr. Beeke is a pastor in Grand Rapids, MI, professor at Puritan Reformed Theological Seminary, prolific author on the Puritans, and board chairman of Reformation Heritage Books. This event follows his keynote address at the Lasco Institute education conference the day before, Friday, August 15.

See lascoinstitute.org for more information. This lecture is free. Use code "RCRC" for \$10 off tickets to the Friday education conference.

YOUTH NEWS **Bible** **Quizzing** **Nationals in** **Seattle**

Five of our Rochester CRC youth group members participated in Bible Quiz Nationals in Seattle June 29-July 3. They had a great time, and several of them (including Anna Rose, Ruthie and Geoffrey) advanced to semifinals in individual competitions. The team did not advance to finals, but that's ok. As one parent said: "It's all a win when you're learning God's Word and making great friendships." They cheered on their friends in individual finals on July 3. They did really well in team competition as well, but they did not advance to finals. We are proud of them for all their hard work memorizing Scripture and storing up God's Word in their hearts!!

"Come, let us sing for joy to the Lord; let us shout joyfully to the Rock of our salvation."

Psalm 95:1

Our choir robes continue to bless our brothers and sisters in Sierra Leone.
