ADULT SUNDAY SCHOOL - FALL 2026

Paul the Apostle: A Biography | Biblical Study | N.T. Wright

Most of us know the story of Paul in the beginning (the stoning, the blinding light), but the details of the travels are less well known. NT Wright takes us through some of these details in a video series. Each week will include watching teaching by NT Wright followed by review of his discussion questions. **Meeting in Room 1.** For additional information, please contact Jim Quinn at james.b.quinn@gmail.com.

A study through the Canons Dort - one of the CRC Three Forms of Unity

The class will explore the Canons, reviewing their development, scriptural underpinnings and practical outworking through facilitated group discussion. The Canons describe God's grace in our calling, redemption, regeneration and preservation in Christ. The book "Grace Worth Fighting For: Recapturing the Vision of God's Grace in the Canons of Dort" will provide additional insights for those interested in digging deeper into this topic. **Meeting in Room 2** For additional information, please contact Dave Dill at davidedill@gmail.com.
