NURSERY VOLUNTEERS

Believe it or not, we're already planning for fall! We'd like to offer nursery during Sunday School. If you are willing to serve as a Sunday School nursery volunteer on a regular rotation (maybe a month at a time?) please contact Katie Singleton or the church office. We'd also love a couple of additional volunteers during worship time!

KIDS' CAMP 2022

Please pray for the leaders and campers as they prepare for camp.

Have you noticed all of those school supplies on sale right now? Please consider purchasing some for School #33. Wide-ruled one-subject notebooks, notebook paper, and composition books, crayons, colored pencils, glue sticks, glue, pencils, markers, and folders are all appreciated and used by the teachers. Bring your donations to church or the office during office hours.
