

JOHN 17 WATCH PARTY GUIDE

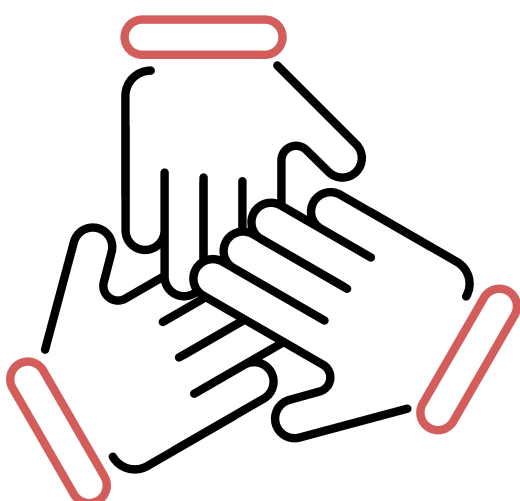

MATRIX AND MIRRORS

Our temporal circumstances are just a sort of dim mirror compared to the greater eternal reality we find ourselves in. Perspective really matters.

LITTLE "LIGHTS" OF THE WORLD

We are not "of the system" but sent by Jesus to be a greater reality/a greater kingdom within the nation we find ourselves in. How can we live as citizens of the Kingdom of God and be good news to our world?

UNITY, UNITY, FOR THE LOVE OF GOD, UNITY

Jesus repeatedly called for us to be one. That doesn't mean that we all have to think the same way, but being a family means that we are on each others team, part of a greater family and a greater purpose in this world. We should really have each others backs and show the world that we are disciples of Jesus by our love for one another.
