

# WELCOME HOME BASKET COLLECTIONS FOR HURRICANE FAMILIES!

The Harrelson Center is dedicated to providing humanitarian services to our community. Our neighbors face many challenges including finding and recreating safe and loving homes for their families after the destruction of Hurricane Florence. Join us in preparing “Welcome Home Baskets” to furnish bedrooms, bathrooms and kitchens with basic necessities.

Your organization or family could Build a Basket or collect items to help families transitioning from homelessness, crisis and disaster. We are only collecting new items from the lists below. Email [Christy.HarrelsonCenter@gmail.com](mailto:Christy.HarrelsonCenter@gmail.com) to let us know which baskets you are building or collecting for and make arrangements to drop off at the Harrelson Center or warehouse.
