40 days of prayer

THROUGH EPHESIANS
JANUARY 4-FEBRUARY 12, 2026

40 days has been a significant time of prayer for many Christians through the years.

- Moses was on the mountain with God in Exodus 34, before he brought down the Ten Commandments.
- Elijah sought the Lord for 40 days in 1 Kings 19.
- Jesus spent 40 days and nights fasting and praying in Matthew 4:1-11 before He began His ministry.

Your pastor selection committee has placed this season of prayer in place to unite our church in prayer for our pastor search process. Please join us as we seek the Lord as this process gets underway.

This time of focused prayer and devotion will help the church walk well through the pastor search process that is now underway. During these 40 days, spend time with God, praying for yourself and your church family. Practice the four aspects of prayer (Praising, Repenting, Asking and Yielding) as you pray. Take time to listen to the Lord through Scripture reading and times of quiet in His presence.

Each day has a specific focus and a Scripture passage to read. Unite with fellow Christians in agreement, lifting these requests to the Father. Trust God to hear, heal and answer as we spend time with Him during these 40 days.

Thank you for uniting with your brothers and sisters in Christ in prayer for the church! Christians across our region are joining with us as we pray for God's will to be done and His Kingdom to come in our hearts and in this place.
