

Calvary places a high value on people and relationships. We realize every person needs meaningful relationships with others in order to become all that God has created us to be.

Whether you are a first-time guest or have been at Calvary for years, we want you involved in a Community Group! Groups are made up of eight to twelve individuals who encourage and challenge each other in their relationship with God and with each other. Groups meet weekly for fellowship, Bible study and prayer.

dself3@vols.utk.edu

HOW TO GET INVOLVED:

1. **FIND** a Group. Look over the groups that are "OPEN". These groups are still adding members. "FULL" groups are already at a maximum.
2. **CONTACT** the Group Facilitator to find out more information about any group that interests you.
3. **VISIT** a Group. Continue to attend this group or try another group next week.
4. **COMMIT** to the Group. Once you find a group that is a good fit for you, commit to that group. Committed members are asked to make each week's meeting a priority.
