FAMILY CAMP 2026 || S. LAKE TAHOE || JUNE 11-14

Welcome to Family Camp 2026! Our theme for this year's camp is "Rooted" because we believe we have entered into a time where we need to be rooted in Christ more deeply than ever before. We pray every year that Family Camp would be more than just a camp with fun events and activities, but that it would be an impactful and life-changing experience for everyone in attendance and that God would encounter and refresh you in a new way. We encourage you to take time during this camp to align your heart with the Lord and His vision for your life. We hope in each service you will hear the Lord speak to you and you will leave camp with fresh revelation. Cathy and I along with the New Life staff are looking forward to a fun weekend getting to know you and your families better. We hope you will take time to unplug, relax and take a break from your busy lives, while also connecting with close friends and new people. I challenge you to step out of your comfort zone, join in the activities, introduce yourself to people you don't know, let God move in your family and friend groups and simply appreciate God's presence in such a beautiful environment. It has been a blessing to us to vacation with our community of believers in Lake Tahoe where we are surrounded by God's creation. If you have questions or concerns, please feel free to let one of the pastoral staff members know, and they will do their best to assist you.

Blessings,  
Pastor Mark Tucker
