Recently Heather had the opportunity to take Ashley (center) on campus for some training at a community college. Walking into the student union, the usual hum of conversation was missing; everyone was isolated, the new normal on college campuses. They had headphones on and their heads were craning over a text book or cell phone. Still, Heather hoped to show Ashley how she could deeply minister to people. Ashley longed to overcome her timidness to be used by God as a new staff member at the University of Florida.

Jasmine (right) went to church and loved God, but didn't talk to many people on campus because she didn't know many Christians there. Initially, her wildest dream of God moving on campus was simply that students would start talking to one another. As Heather and Ashley studied Matthew 28:18-20 and 2 Timothy 2:2 with her, Jasmine began to realize that God wanted to use her in the lives of her classmates. She knew a lot about God but never thought to tell other people about him. God was inviting her, through Heather and Ashley, to join Him in sharing His love and teach others how to share the gospel using one of our apps called "God Tools."

God has been doing amazing work in the past year and a half. We have seen 20 new gospel movements start throughout Florida! That more than doubles our presence on campuses since August 2017. We have the privilege of coming alongside amazing staff and students in a state that draws millions of people from a global audience. As we train and mobilize students like Jasmine, we, as missionaries, are equipping insiders to fulfill the Great Commission among those nations and the future business owners, teachers, doctors, and counselors of society.

Thank you for your faithful partnership with us to plant gospel movements that engage "every": every campus, every ethnicity, and every nation. We have been so blessed by our relationship with you and by the Lord's physical and spiritual provision through your prayers and support. His and your faithfulness keep us in the field focussed on winning, building, and sending people for Christ.

We are excited for what God will do in 2019! As you may know, year-end giving is important for our overall budget. This year, we are trusting the Lord for an additional \$5,200 in year-end gifts. Would you prayerfully consider giving a gift of \$500, \$250, \$100 or any other amount? Tax-deductible gifts can be given at give.Cru.org/0567520 if you feel led to do so. Additionally, checks made out to "Cru" can be mailed to us at 2761 Mead Ave., St. Cloud, FL 34771.

May God Bless You,
