

Camp Scholarship Process

Faith Church

Recognizing that Christian Camps provide uniquely excellent opportunities for spiritual growth, Faith Church Camp Ministry offers camp scholarships to individuals or families in need of financial assistance in order to attend. Scholarships are granted for 35% of the cost of the week of the camp listed below, with a per scholarship cap of \$200 (or \$350/family camp). The award varies depending on what camp your son or daughter attends. Please request only one scholarship per child/per year.

We would also like to offer an opportunity to unchurched friends. If your son or daughter invites an unchurched friend to attend camp with him or her, that friend can receive a \$25 scholarship from Faith. Please attach a copy of the friend's registration along with your child's registration and a note that the request is for the gift of \$25.

You are not required to earn your scholarship, but we strongly encourage you and your family to serve, utilizing your God-given gifts and abilities to build up and give to the body of Christ just as you have received from others (Romans 12:4-6; Ephesians 4:16; 1 Peter 4:10). There are a variety of opportunities available for all ages—contact us for suggestions!
