

By The Numbers | 2025

Kingdom Giving in 2025: \$426,863

Kingdom Expenses in 2025: \$406,347

Total expenses by percentage in 2025

Where we are in 2026:

We are so blessed at how the Lord has provisioned us and those we get to have as partners! Every year, we present a summary of our financial activity to celebrate His kingdom agenda in our midst. We are so grateful for the faithfulness of each and every person who invested in the mission the Lord has given ComCity! We claimed the truth in His word that those who trust him “**lack no good thing**” and “**find all their provision in Him**”. God has seen us and met our need, giving us abundant opportunities to invest in His kingdom work:

- **A total of \$109,919 was expended towards Missions in 2025. If the additional collections for the Lottie Moon Christmas Offering (\$19,316.18) and Operation Christmas Child (\$3,429.33) are included in this value, a total is nearly one-third of our yearly budget was given to kingdom work both locally and globally.**

We ask again for your prayers, for the future of this faith family, and for you to consider how He has enabled and equipped you to make Kingdom investment and impact!

It is truly a joy to be on this journey as family with you. It is a joy to see the Kingdom impact our community in Lexington, KY can make both locally and globally! It is a joy to follow Jesus faithfully together! May He continue to bless us to see the Kingdom come... May we be sent and spent well for the sake of the gospel!
