35 Call a friend and encourage them	36 Bring in a neighbors trash can	37 Pick up trash wherever you find yourself	38 Buy someone else's lunch	39 Take some time to pray for a family member	40 Leave something special for the Mail Carrier	

Instructions:

- Missions Jar – This, our first activity, is intended to be done first. Then throughout the summer we are encouraging you to place one quarter in a "Missions Jar" for each activity the family completes. They do not need to be done in order, but we would suggest just one activity a day. This way we can spread out our Missions impact.
- On The Go Bag – This activity is intended to be a brown bag (or something like it) filled with items that can be randomly given out to people in need. Items can include granola bars, gum, candy, chips, etc. The intention of this activity is to keep it in the car and hand things out when you find someone in need.
- Handmade Cards – Any of the cards, for those who are not in your family, can be brought to the We Care Team and they will be sent to hospitals and heroes.
