

How to Download the Crosspoint App

If you or your family spends your week on the go, then take the Crosspoint Church app along with you to stay up to date on events or refresh yourself on Sunday's message. Features of our app include:

- Notifications on the ministries you want to hear from
- Calendar of Crosspoint events
- Schedule of upcoming GROW studies
- Fill-in-the-blank Sunday sermon notes
- Prayer request form
- Easy online giving
- More...

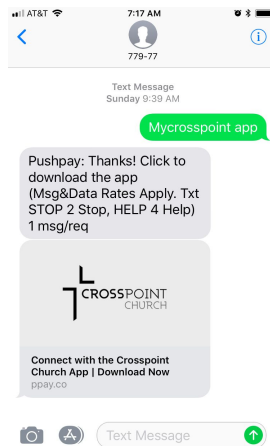

Step 1 - On your mobile device, go to [My Church by echurch](#) or text [“mycrosspoint app”](#) to 77977 to get the download link

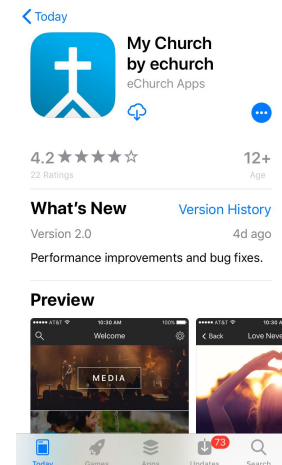

Experience Crosspoint Church through the My Church App — your church life on your mobile.

Download the My Church App now and enter this keyword to connect with your church:
MYCROSSPOINT APP

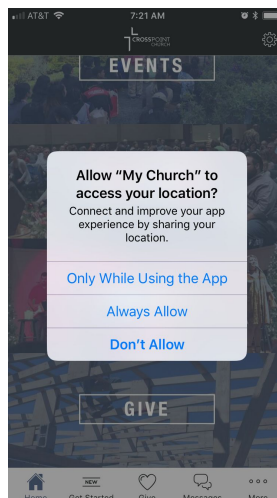

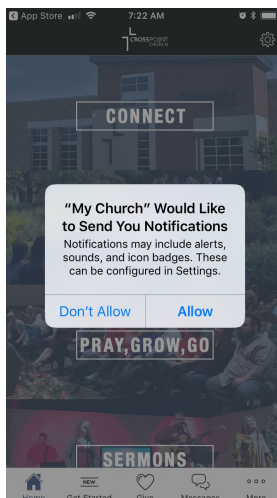

OR

Click on cloud to download

Step 2 - Download the app and follow prompts to set up your notifications

Also, under 'Get Started' bottom tabs
