Per Capita

What is it, and what is it used for? Each year, sessions are asked to send an "apportionment" or a gift to the denomination. For 2018, the "per capita amount" is \$40.00 per member. It funds mission and ministry locally (our presbytery), in the region (Synod), and the smallest portion to General Assembly. It would be much appreciated if each member were to give \$40. each for this purpose (in addition to one's pledged giving). The difference between what is received, and the total will be covered out of CPC's general fund.
