

Redwood Church Preschool Comfort Kits

Thinking about things such as natural disasters or crisis can be frightening but it helps everyone feel much more secure knowing that we are well prepared and equipped to care for and protect your child if you are unable to get him or her right away. As always, our first priority is your child's safety and emotional well-being.

As part of our state's licensing requirements, our Center will provide emergency disaster supplies. The purpose of a comfort kit is to keep your child comfortable and reassured in the event of an unexpected occurrence such as an earthquake, storm, power outage, crisis or other emergency.

Families are responsible to provide the following comfort items:

- Family photo
- Letter of comfort from parents
- Out of state contact number

Please bring these items on or before your child's first day of school.

In the event of a disaster we will remain at Redwood Church Preschool unless we have been instructed by the Redwood City Police Dept. and/or Redwood City Fire Dept. to evacuate or if we feel it is unsafe to remain on the property. Should that happen, we will take attendance sheets and emergency contact information, and make every attempt to reach families.

Our evacuation plan is to walk to the nearby Community Center located at:

Red Morton Community Center
1120 Roosevelt Ave
Redwood City, CA 94061
(650) 780-7311

Our planned route will be to leave the Center on the Vera Ave side and walk approximately 2 blocks to the Community Center.

Please let us know if you have any questions or concerns. We appreciate your help in making sure we are well prepared in the event of an emergency.

Thank you,
Redwood Church Preschool
