

# Family Worship Guide

January 14-20, 2018  
Vision Casting Series Week 2

## Introduction

Family Worship is an opportunity to meet together with your loved ones and dig deeper into the Scripture by examining principles presented in this week's sermon. These are not intended to be long devotional sessions. Instead, we hope to simply prompt a few minutes of Gospel-centered conversation with your family and to give you some tools to reinforce what you hear on Sunday throughout the week. The Sunday Worship Gathering is not where worship begins, but is where you join with fellow believers in a continuation of your individual worship.

## Discussion Questions

» In Jesus' day, to be a disciple meant following a teacher, learning from them, and then doing what they said. What does it mean to be a disciple today?

» Read Luke 14:25-27

» How does sin in your life prevent you from taking up your cross daily? How can you, through the power of the Holy Spirit, wage war against your sin and take up your cross?

» Does the description of the Christian life given here indicate that we should seek comfort or conviction to do what is right?

» Looking forward to this week's sermon, read Philippians 2:1-4. How does fellowship with other believers help us kill the sin in our lives and follow Christ as true disciples?

## Verse of the week
