

## LOCAL CARE

# TEAM MEMBER

**Discuss and vote on issues concerning how to help those with non-emergency needs such as meals, yard work, household projects, etc.**

### **SKILL SET:**

- Able to work with a team
- Problem solver
- Sympathetic towards those with needs
- Able to discern how to take care of needs
- Good communication and organization skills

**EXPECTATIONS:** Attend team meetings, respond to emails, help give input and decide with your team how to help or wisely allocate resources to those in need with compassion and confidentiality.
