CHURCH DIRECTORIES: If you had your picture taken by Lifetouch, or if you submitted your own photo, there is a directory waiting for you at the Welcome Desk with your name on the back of it. If you would like to donate towards the cost, please mark "church directory" on your tithe envelope. For those who did not submit a photo but would like to purchase a directory for \$10, please contact the church office.

Laura Williams

Ron Whitehead has served in four NAD unions as a local pastor, conference youth, and church ministries director. He has also served the NAD as associate youth director and directed five International Pathfinder Camporees. At Andrews University Ron has served as Assistant to the President for Spiritual Life and currently serves the Seventh day Adventist Theological Seminary as Assistant Professor for youth ministry and Executive Director for the Center for Youth Evangelism. Since 1996 Ron has been honored to serve the Lake Union Conference as Youth Director. Some of Ron's most recent ministry projects include an International Camporee for over 50,000 participants and the development of COR (Church of Refuge) congregations that support senior youth/young adults with their walk with Christ and their local church. Ron is married to an amazing woman, the former Betty Lou Becker. Together they have three young adult children, Stacy, Heidi, and Ryan. Ron's hobbies include but are not limited to: high-tech toys, classic cars, boats, and large events like Passion Plays. His favorite Bible text is John 14:1-3 because it reminds him not to "sweat the small stuff." Jesus is coming again!

Laura Williams is a Christian music artist based out of Washington state. She has traveled to almost every state in America, giving concerts to churches and singing for evangelistic meetings, prisons, hospitals, schools, conventions, and television stations. Her call to full-time music ministry came after graduating from Fountainview Academy in 2011. This Christian school provided her the opportunity to develop her musical talents by being a part of their choir and orchestra. Recently married, she travels with her husband, Ernie, who is an audio engineer and together they record music in their home studio. Now, seven years since the beginning, she has put out six albums. The two newest albums, "Forever Friends" and "In the Garden" are the first albums that are recorded, mixed and mastered by her husband. Music is a powerful tool which can be used to share the love of God. It is Laura and Ernie's goal to continue to share with as many as they can for as long as the Lord opens the doors.
