Operational Policy on Infant Safe Sleep

This form provides the required information per minimum standards §746.501(9) and §747.501(6) for the safe sleep policy.

Directions: Parents will review this policy upon enrolling their infant at _____ and a copy of the policy is provided in the parent handbook. Parents can review information on safe sleep and reducing the risk of Sudden Infant Death Syndrome/Sudden Unexpected Infant Death (SIDS/SUIDS) at: <http://www.healthychildren.org/English/ages-stages/baby/sleep/Pages/A-Parents-Guide-to-Safe-Sleep.aspx>

Safe Sleep Policy

All staff, substitute staff, and volunteers at _____ will follow these safe sleep recommendations of the American Academy of Pediatrics (AAP) and the Consumer Product Safety Commission (CPSC) for infants to reduce the risk of Sudden Infant Death Syndrome/Sudden Unexpected Infant Death Syndrome (SIDS/SUIDS):

- Always put infants to sleep on their backs unless you provide Form 3019, Infant Sleep Exception/Health Care Professional Recommendation, signed by the infant's health care professional [§746.2427 and §747.2327].
- Place infants on a firm mattress, with a tight fitting sheet, in a crib that meets the CPSC federal requirements for full-size cribs and for non-full size cribs [§746.2409 and §747.2309].
- For infants who are younger than 12 months of age, cribs should be bare except for a tight fitting sheet and a mattress cover or protector. Items that should not be placed in a crib include: soft or loose bedding, such as blankets, quilts, or comforters; pillows; stuffed toys/animals; soft objects; bumper pads; liners; or sleep positioning devices [§746.2415(b) and §747.2315(b)]. Also, infants must not have their heads, faces, or cribs covered at any time by items such as blankets, linens, or clothing [§746.2429 and §747.2329].
- Do not use sleep positioning devices, such as wedges or infant positioners. The AAP has found no evidence that these devices are safe. Their use may increase the risk of suffocation [§746.2415(b) and §747.2315(b)].
- Ensure that sleeping areas are ventilated and at a temperature that is comfortable for a lightly clothed adult [§746.3407(10) and §747.3203(10)].
- If an infant needs extra warmth, use sleep clothing _____ (insert type of sleep clothing that will be used, such as sleepers or footed pajamas) as an alternative to blankets [§746.2415(b) and §747.2315(b)].
- Place only one infant in a crib to sleep [§746.2405 and §747.2305].
- Infants may use a pacifier during sleep. But the pacifier must not be attached to a stuffed animal [§746.2415(b) and §747.2315(b)] or the infant's clothing by a string, cord, or other attaching mechanism that might be a suffocation or strangulation risk [§746.2401(6) and §747.2315(b)].
- If the infant falls asleep in a restrictive device other than a crib (such as a bouncy chair or swing, or arrives to care asleep in a car seat), move the infant to a crib immediately, unless you provide Form 3019, Infant Sleep Exception/Health Care Professional Recommendation, signed by the infant's health-care professional [§746.2426 and §747.2326].
- Our child care program is smoke-free. Smoking is not allowed in Texas child care operations (this includes e-cigarettes and any type of vaporizers) [§746.3703(d) and §747.3503(d)].

- If an infant is able to roll back and forth from front to back, place the infant on the infant's back for sleep and allow the infant to assume a preferred sleep position [§746.2427 and §747.2327].
- Awake infants will have supervised "tummy time" several times daily. This will help them strengthen their muscles and develop normally [§746.2427 and §747.2327].
- Do not swaddle an infant for sleep or rest unless you provide Form 3019, Infant Sleep Exception/Health Care Professional Recommendation, signed by the infant's health care professional [§746.2428 and §747.2328].

CACFP INFANT FEEDING PREFERENCE

Dear Parent/Guardian,

This child care provider participates in the Child and Adult Care Food Program (CACFP) and receives USDA reimbursement for serving nutritious meals to infants according to program requirements. Participation in this program requires child care providers to follow specific meal patterns according to the age of the infant.

If your child is exclusively breastfed, child care providers participating in the CACFP can feed your infant the breast milk you supply and meet the meal pattern requirements. Breastfeeding is widely recognized as the best source of nutrition for infants.

The Institute of Medicine and the American Academy of Pediatrics recommend that adults/caregivers, who work with infants and their families, promote and support exclusive breastfeeding for the first six months and continuation of breastfeeding in conjunction with complementary foods for 1 year or more, and the Texas Department of Agriculture (TDA) encourages child care provider's to dedicate a space for mothers to breast feed their infants on site.

Child care providers participating in the CACFP **are required** to offer at least one infant formula for infants who are enrolled for child care. You may decline the infant formula offered, and supply breast milk and/or your own preferred infant formula.

Additionally, when you determine in consultation with your physician that your child is developmentally ready, the child care provider will also be **required** to offer infant cereal and other foods. As with infant formula, you can decline the infant cereal and other foods offered and provide those items to your child care provider. It is important to note that your child care provider will not receive reimbursement for meals that contain more than one parent provided component. Speak to your child care provider to understand what components are required for your infant's meal and the exceptions made for infants with disabilities, so that your infant receives the most nutritious meal possible.

This child care provider offers the following infant formula(s): Parent's Choice (Blue)

It is very important that you indicate your preferences on the form that follows so we can honor the nutrition choices you have made for your family. Please complete the information below to designate your preference for infant formula, infant cereal and other foods.
