

Welcome! We feel very privileged to have you join us today at White Stone. We worship and serve an amazing God, and it is our desire that each person who walks into this building realizes how much God loves them.

Our God is not a distant God, but a perfect Father who wants to interact with us on an intimate level. Unfortunately, the broken world we live in has caused us to live out our lives with broken identities.

Thankfully, though, God has gone to great lengths so that when we truly encounter Him miraculously, He gives us a new identity and a new name. From that point on, our lives are powerfully renewed and profoundly different. We begin to experience life the way God intends it to be. Our prayer for you is that you might encounter God in such a way. Welcome to White Stone Community Church, Where a New Name Means a New Life.
