

W H I T E S T O N E

Dear White Stone Family,

The Church Is Here For You.

God created White Stone Community Church to be a group of people who ***love Jesus and each other***. In light of the unusual circumstances caused by the COVID-19 virus, fulfilling this calling is more important than ever.

Trusting God and loving Jesus have never been more important for our emotional and spiritual health. If all the uncertainty that is swirling around us is causing you to feel anxious, don't hesitate to call the church 262-569-2766. You will be connected with a pastor who will encourage and pray for you.

White Stone is also available to help with physical needs you might have. For example, if you would like someone to grocery shop for you, pick up a prescription, provide transportation to a doctor's appointment, please don't hesitate to call the church office.

White Stone also has a benevolence fund that is designed to help bridge financial shortfalls. This could be especially useful for those who have been laid off from their job.

You can also help care for those in our community who are in need. Check on family members and friends frequently, especially older folks. Also, donations designated for the benevolence fund will ensure that White Stone can continue to assist as many people in need as possible.

Thanks for being part of the White Stone family. The staff looks forward to serving you as we love one another.
