

I am so excited to serve alongside you here at Aldersgate. Most recently, I am from Fort Oglethorpe, GA (Chattanooga area). There, I was serving as youth minister and church activities director. I met my wife Rachel at Shorter College, and I am currently pursuing a Master of Arts in Children and Family Ministry at Bethel University in MN via their online program. I have experience working with students in ministry, serving as a counselor at a Boys and Girls club, mentoring in the local schools, and as a counselor at Camp Winshape for boys as an adventure counselor. I love being outside, whether it be hiking, ultimate frisbee, backpacking, white water rafting or just camping. The rest of my hobbies include golf although I'm terrible. I'm a big baseball and football fan and will be cheering for UD this fall. I also enjoy spending time reading when I get a chance.
