Connecting People to Jesus & Others

March 13, 2020

Dear church family,

As you know, the news about COVID-19 is changing every day. At this point we assume that almost everyone has reviewed the CDC (Center for Disease Control) guidelines for prevention and protection from the spread of this disease, but we do want you to know that our Elders will be having a short meeting this coming Sunday morning to discuss our response. We've also been in contact with various church leadership networks to gain from their wisdom and experience.

At this point, we are not suspending our worship services, since we are well under the 250 attendance threshold (in each room) recommended by the Wisconsin Department of Health Services.

As with many times of crisis, this is an opportunity for the church to be the hands and feet of Jesus in our communities. We desire to lead and serve, not from a posture of fear, but with a wise, careful concern for those in need. Please be in prayer for one another.

“So do not fear, for I am with you; do not be dismayed for I am your God.” Isaiah 41:10

Pastor Tim
