

New This Year

-  Clubbers will NOT have a uniform. Tuck those vests away in your keepsake boxes.
-  Clubbers will receive TRINKETS* instead of chevrons for verse/section completion.
-  Families can CHOOSE which track to enroll in for the Awana year.

TRACK 1 - Traditional

This track allows clubbers to complete an Awana handbook and earn a book award. Completing a handbook includes: the weekly reading of the Bible biographies plus Scripture memorization.

This track is perfect for families who can complete the readings at home and prepare their clubbers to recite their memory verses when they attend club. (Leaders will check the handbook work and listen to the memory verses, but they will not teach the memory verses in club.)

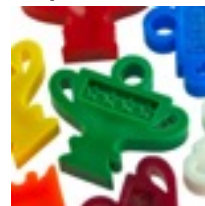

This track is designed for the clubber who is working toward a Sparky Award, and future Awana awards like the Timothy Award.

TRACK 2 - NEW

This track allows clubbers to FULLY participate in all club activities WITHOUT an Awana handbook. Clubbers will be given the opportunity to memorize a total of 7 verses during the club year, if **they choose to do so**. These verses are John 3:16 and the S.P.A.R.K.S. Code (which includes 6 verses).

This track is perfect for the busy family --and for clubbers who simply do not enjoy weekly, handbook work.
