

New This Year For

All clubbers will receive a t-shirt to use how they'd like.

Clubbers will receive a dog bone for each 4th section they complete, according to the requirements of which book they are working out of.

Families can CHOOSE which track to enroll in for the Awana year.

Track 1 - Traditional

This track allows clubbers to complete an Awana handbook and earn a book award. Expectations for each week to be completed before club night are: to read the Bible passages and answer the Explore questions plus the scripture memorization (new and review). During the club night they will recite their memorized scripture and participate in a conversation digging into the Explore lesson.

Track 2 - Essentials

This track allows clubbers to participate in handbook time at a lighter load level, while hitting all the essentials. Expectations for each week to be complete before club are: to work on memorizing the scripture that covers the night's lesson topic. During club nights they will alternate in learning tools for scripture memorization and group led completion of Explore questions.

WHEN YOU REGISTER, PLEASE SELECT TRACK 1 or TRACK 2.
