

Bible Evangelical Free Church seeks to provide opportunities for people to worship God the Father, God the Son, God the Holy Spirit in spirit and in truth.

Our worship services are designed to bring honor, praise, and glory to God by celebrating His presence with us and by encouraging true worship through a life of obedience and service.

"All the nations you have made will come and worship before you, Lord; they will bring glory to your name."

We believe that a person cannot truly worship God unless he has first given his life to Jesus. It is Jesus who makes us acceptable in God's sight, and thus makes our worship acceptable. It is Jesus' life which models the life of worship we are to live. Jesus made it clear that His life was about glorifying God; "I brought glory to you here on earth by doing everything you told me to do," (John 17:4). By using Jesus as an example we begin to understand what it means to live a life of worship.

Time Commitments:

Being part of a worship team is a considerable investment in time. Rehearsals are one evening a week for 2 hours (time and evening varies). Punctuality is expected for both practice and worship on Sunday.

BEFC provides the necessary cords and equipment to hook up your instrument to the sound system. Instrumentalists are expected to have their own instruments with the exception of drums. Guitarists should have their own amps if necessary.

I have read and clearly understand the worship team application and commitments and I am ready to begin the interview process.
