

MACARTHUR PARK LADIES MORNING

VIRTUOUS — DISCERNMENT — AT EVERY STAGE & EVERY AGE

SATURDAY
10/11
8:30-11:30 AM
FELLOWSHIP HALL

Join us for a morning of food, fellowship, and sisterly encouragement as we open the Bible and study the everyday qualities of virtuous women. Guest speaker, **Jennifer Allen** reminds us that we were born for such a time as this and encourages us to rediscover our unique talents and God-given gifts to serve. Together we will learn, inspire, and grow, serving God's purpose through virtue and discernment.
