Land For A Church Building

A member has donated some land to us for a future church building in El Paraíso. Please pray for the construction of our church building.

Families we are evangelizing:

1. **Alexander Castellanos** : He is 35 years old, married, works as an industrial welder specializing in metal structures, and is the father of two children, one of whom, **Arony**, is already living on his own. And his wife is **Karen**. We've been preaching to him for quite some time now, but he hasn't yet decided to be baptized. We're working with him for his salvation. He hasn't ruled out the possibility of baptism. We are already holding Christian meetings in his home and he says he likes them very much
2. **Karen Castellanos**: She is Alexander's wife and works as a stylist. And we are already giving her the plan of salvation and she promises to be baptized
3. **Erika Castellanos** : She is a housewife and mother of two children: a 16-year-old girl who is in secondary school and is finishing the basic plan, and a 5-year-old boy.
4. **Aroni Castellano**: He is a 20-year-old man, already married, but he has a problem: he is addicted to drugs. We are working with him, preaching to him so that he can abandon those vices. He has been in rehabilitation centers and even in prison for this reason, and he still hasn't recovered. We have faith that God is helping him recover and that he will then be baptized.
5. **Sarai Castellanos**: This 16-year-old girl is a high school student. She spends almost all her time with her grandmother, but she has a very serious problem. In my ministry, I have rarely seen problems of this magnitude. At her grandmother Suyapa's house, one of her sons was killed due to his involvement in illicit activities. Now, Sarai, Suyapa's granddaughter, is

experiencing an evil spirit appearing to her in the form of her uncle, talking to her as if he were still alive. We have been explaining to her the situation of someone who dies and is no longer allowed to return to this world. Based on the word of God, she has understood all of this, and the evil spirit rarely appears to her anymore. I ask for your prayers for this.

6. **Nicol Álvarez** : She is currently in high school. She is 16 years old. She is very shy, and it has been difficult to introduce her to the gospel, but we have started, and she says she will be baptized at the next baptisms.
7. **Naigely Rodriguez** : She is the daughter of sister Yeny Rodriguez, is married, mother of a two-year-old girl, and is a housewife. She has been receiving the plan of salvation for some time now, but now she says she is willing to be baptized.
8. **Mario Rodriguez** : He is a 16-year-old boy who studies at the school and is finishing secondary school or the basic plan. We are preaching the gospel of salvation to him, and he says with certainty that he will be baptized.
9. **Xiomara Montiel**: She is, or was the daughter of brother **Ramón Montiel**, who passed away almost two years ago. She is a primary school teacher, the mother of three grown children, and has promised to be baptized.
10. **Juana Montiel**: She is Xiomara's mother, a woman almost 80 years old. She is Catholic but says she likes the doctrine of the Church of Christ and is willing to be baptized.
11. **Dirla Oseguera** : She is married, lives off her business, owns a shoe store, and says she is available for study.
12. **Keilin Lopez** : She is the daughter of some brothers in the church. She has already visited the church and says she wants to make plans to change her lifestyle with God's help, since she is currently living a disorderly life.
13. **Suyapa Ardon** : She is a 58-year-old woman who makes a living selling tortillas. She is a single mother and the mother of the aforementioned man who was killed for his involvement in illegal activities. Now, her granddaughter is experiencing an evil spirit trying to deceive her. She says she really likes the gospel and wants to be baptized, but asks us to give her some time; of course, the decision is hers.

TV Program

I continue, as always, broadcasting the program on TV twice a week.

Thank you so much for your support of this servant. We send greetings to all my brothers and sisters at MacArthur Park Church of Christ. Thank you so much for your support.
