Church of Christ Student Center

Hello God's Family,

The Church of Christ Student center is a special place. Many students pass through here seeking answers in their quest for truth. God has placed this ministry in the heart of a large community

of young people whose decisions will impact their future for years to come.

I believe God knows each student and has enabled our encounters. This semester the Lord has already brought three young men (Jacob, Andrew, and Giovanni) across my path to help guide them into Christ's teachings. Please pray for these young

men and women who choose to walk through our doors this spring semester. Please pray that we may be provided the opportunities to plant the seed of God's Word in their hearts.

Our Thursday devotional lunches are up and running. 65 attended this past Thursday's lunch. We look forward to that number increasing to our average weekly attendance of 140.

At last week's devotional luncheon two students signed up for personal Bible Study.

Our Center closed out the fall of 2025 with a retreat at the H.E. Butt Foundation camp. The camp's theme was "What

a Friend We Have in Jesus." 15 students from the center joined our congregation to share in a weekend of God's Word and fellowship. Several of these students attend worship and weekly Bible studies with the Church.

For the Sake of the Name,

III John 8
