## Church of Christ Student Center

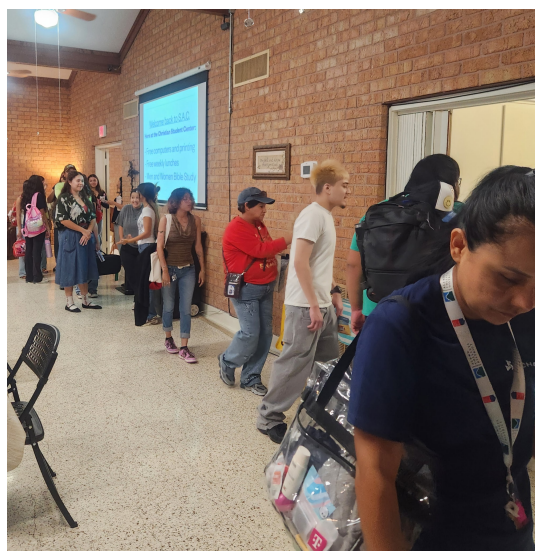

Hello God's Family,

With the beginning of the S.A.C. Campus' classes comes the beginning of new opportunities to reach out to a new generation of young adults. On August 26th, our

opening day cookout called "Grill on the Deck" introduced over 500 new students to the Student Center! Several students expressed a desire to investigate God's Word in Bible study. Because of the many distractions these students face, our greatest hurdle involves keeping them engaged. Please pray for these students that they will act on their desire to study.

Throughout the semester we will be offering on Thursdays a weekly luncheon to feed both body and soul. A devotional with scripture and teachings from Jesus will feed the soul as the students enjoy a free lunch. Historically we have averaged over 100 students each week.

We follow up these requests through invitations to our weekly men's and women's Bible study groups.

It is in part from this young generation that the next generation of the Church will arise, which helps to drive our desire to reach them! Thank you so much to all our sister churches who help us continue this task.

For the Sake of the Name,

(III John 7-8)
