From Our Messianic Leader.....

PATIENCE

I've used this as a joke at times. "I pray to the Lord for patience, but I want it NOW". Patience or a lack of it spills over into every aspect of our lives.

For example, when we're waiting for an elevator that doesn't come down as quickly as we'd like, do you repeatedly push the button? Or if your stuck in a line in the grocery store that is not moving, so you wait there calmly or under your breath grumble how poorly the store is managed or I wish they would hurry up?

Although to some degree our temper can determine our ability to wait or to chill. The kind of patience Adonai wants Believers to have is that which is produced by the Ruach Ha-Kodesh/Holy Spirit.

But the fruit of the Spirit is love, joy, peace, forbearance, kindness, goodness, faithfulness, gentleness and self-control. Gal. 5:22-23

Apart from Him we will naturally become impatient when people frustrate us, or condi-

tions aren't to our liking.

The spiritual fruit of patience allows us to say, I'm willing to let go of my immediate gratification and will wait for the Lord to supply. It is that inner quietness that comes from the Almighty alone. Now this doesn't mean we will not feel pressure or stress, but when or if you release your expectations to Adonai, He will calm our hearts and minds.

King David understood this. As he waited to become king, he had several opportunities to kill Saul, the nation's current king. But he refused to take advantage of the situation. By doing this he demonstrated PATIENCE and faith in Adonai's timing.

Patience is a matter of trust in God. Are we willing to release our expectations of both big and little events in our lives?

Can we at least try to acknowledge that the Father's timing is more trustworthy than our own? If we can do that, we are on our way to being a truly patient person.

Davidic Dance Ministry

"Our dancers did such an amazing job at the Passover seder this year. I am so proud of each of them. They worked so hard in such a short amount of time to present a beautiful and moving dance. It was a blessing having the young ones join us also. I am always blown away by each of them – their time, dedication, perseverance, and positive attitude. I am so glad the L-rd moved me to Arizona to lead this amazing team alongside my co-leader, Miriam.

During the month of April, we are looking to do some fun and exciting bonding events for our team. We are always looking forward to what the L-rd has for us.

We also want to wish Elijah Holyfield a very *happy birthday* on April 1st as well as Dawn Price a *happy birthday* on April 25th! We love you guys and are so happy to have you a part of our team! May the L-rd grant you both many years to come.

If anyone is interested in dancing with us, we are always waiting with open arms! Please see myself or Miriam for questions.

Many blessings,

Hessa and Miriam
