## From Our Messianic Leader.....

### COMPLETED GENTILES

It seems today that believers are praying and fasting for a Revival of the church. Our hearts are crying out for a branding of Faith the apostles knew, A Faith with the power to heal the sick, win the lost and set the captives free.

Over the last few centuries as believers have prayed and sought the Lord, Adonai has graciously restored much of what the early church has lost. Sadly, however, the church remains very different from the churches the apostles established and built.

I believe that the church will never be fully restored until we see Christianity in its Jewish setting or context as the New Testament church did. The attitudes, truths and practices natural in the Jewish roots of our faith. These things were given by Adonai for our benefit. They were designed by Him to give us a better understanding of our relationship with Him.

Anyone who has studied the Bible knows that we cannot understand the New Covenant apart from the Old Covenant. When John the Baptist announced "Behold the Lamb of God" he was speaking of the Hebrew sacrificial system. We cannot fully understand John's statement or truly

the work of Yeshua apart from the Hebrew Bible. We also can't fully understand the events in Acts 2 without the works of the Ruach HaKodesh (The Holy Spirit) described in Numbers 11 and Joel 2.

As we continue to learn more and more about the Jewish roots of our faith, we find passage after passage coming into clearer focus with more significance revealed. Passages that made very little sense and then suddenly spring off the pages to life. We gain a deeper understanding of our Covenant right and how Adonai the creator of the universe desires to relate to us.

Jews that have come to know and accept Yeshua as their Lord and Savior are often called "completed" Jews. That's a very good description, but I also believe that when a Gentile Believer comes to know the Jewish roots of their faith, they become a "**completed**" Gentile!

Not only is **YESHUA** the Savior of Israel but the Savior of the whole world. By His grace, we have been made fellow heirs in the commonwealth. The more we know and learn of the heritage the richer and more complete we will be.

### Davidic Dance Ministry

It has been such an absolute joy watching our dance team grow with new dancers. From young to "young at heart" alike, it has been a blessing bonding and worshipping together. The month of March will be no different! This is an especially exciting time as we prepare for Passover. We are eagerly looking forward to dancing at our community Seder this year and bringing a special presentation.

We pray that if there is any bondage in your life during this season of deliverance, that you will find your freedom from "Egypt". The L-rd has already parted the waters for you – you only have to walk through.

May you all have a blessed and anointed Pesach season!

Your Ahava dance leaders,  
Hessa and Miriam
