From Our Messianic Leader.....

Do you Struggle with Temptation?

The biggest thing I feel that I and we all struggle with here on earth is **TEMPTATION**. It is probably the most troubling and defeating thing. The attraction may differ, but the pressure just never seems to let up. Before we are even aware of it, a little white lie comes popping out of our mouth, a casual glance can quickly turn into a lustful look, or it might be an overwhelming craving rendering us powerless to resist.

Temptation usually can come up from a couple of sources: the flesh which tends to struggle with sin even after being saved; demonic forces are always looking to pull you away from a righteous or righteous choices. But ALWAYS remember that Temptation never and will never originate with the Father Almighty. When we are tempted, Adonai wants us to find Him sufficient. He will strengthen us so we can resist and follow through in obedience. Our heavenly Father does not want us to fail. I feel His desire that His children come out approved after the testing.

It is helpful for us to get an understanding how temptation originates. The first thing is thought. At this stage, sin has not yet taken place, but if we start to entertain the thought, then the desire takes root. Then we imagine the pleasures and advantages that might follow.

Let us remember;

Matthew *5:28 says; ²⁸ But I tell you that anyone who looks at a woman lustfully has already committed adultery with her in his heart.* It is at this point that the sin has occurred.

Yeshua's sermon on the mount expanded the interpretation of God's law. It not only included actions, but also our thoughts, motives, and sinful desires (totally read chapter 5, the inspired words of our Lord which are very insightful).

The place to stop a temptation is at the very first thought and although hard to do at times it can be done. The Almighty wants us to let it pass and call out to Him in prayer and stand firm in obedience to Adonai.

Al
