

The Handbell Ensemble is a group of ringers that use their talents to create beautiful music to present in worship to our Savior. The ensemble plays several times throughout the year and attends a handbell festival to worship with a mass group of ringers.

Music reading is helpful but not mandatory (if you are willing to learn).

Membership to this group is limited due to the number of bells that we have available to ring. Please see Bro. Brian or Sherree if you are interested in ringing.

---

The Worship Band is a group of faithful worshipping musicians that enjoy using their gifts weekly to lead in praise. The band plays for each 11 AM service, once a month in the 8:30 service, Kidz Choir concerts, Women's Conferences, and other special services.

An interview and audition is required due to the difficulty of the music that is played. Please see or call Bro. Brian or Sherree if you are interested.

---

The Worship Orchestra is a talented group of men and women that enjoy serving the Lord through playing their instruments. The orchestra joins the band in playing in the worship services two to three times a quarter. They also play for special concerts as needed.

An interview and audition is required due to the difficulty of the music that is played. Please see or call Bro. Brian or Sherree if you are interested.
