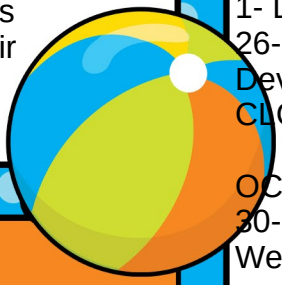
Challenging Behaviors

August is a month where all of our students will be experiencing some kind of transition.
Some kiddos will go to kindergarten, some students will be learning their new roles as new leaders in the classroom, or completely transitioning from the toddler room to the preschool room.
This is a time that if you are seeing some challenging behavior it is normal. They are just trying to figure our where they belong in their new roles. Please be patient.



EXTRA CLOTHES BOXES

Please check your kiddos extra clothes box and make sure they have enough clothes that if they would get wet or have an accident they can change into some dry clothes.
If your kiddo is in the process of potty training please make sure that there are several sets of clothes in their box.
* We have found out that we have gone through almost all of our extra clothes that we have here have not been returned. If you have extra at home that you are not using we would love them. Sizes 2T-5T
