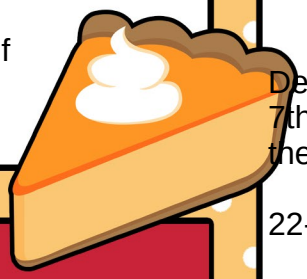
Open Arms

New Face at Open Arms, Miss Sharon

We are so excited to have Miss Sharon join our team here at Open Arms. Sharon moved to CO from Ontario, CA (not to be confused with Canada eh) in 1997 to attend Colorado Christian University. After graduting with a BA in Liberal Arts she went to China and taught adult university professors as well as children at a boarding school called Hui Jia which means going home. Miss Sharon moved to Summit County in 2021.
When you get a chance, please make sure to introduce yourself (or your kiddo, will be happy to do the introductions).



Snow is coming are you ready?

What an amazing fall we are having. I love not having to pull out my winter clothes, but I know we need the moisture.

Now is a good time to remind families that winter will show up very soon. Is your kiddo ready? Snowpants, boots, jacket, hat and WATER PROOF gloves? Please make sure that all of the clothes are labled with your kiddos clothes, especially all of the black snowpants. They all look the same. Now is also a good time to go through your extra clothes box in their cubbies.
